## Introduction

Thank you so much for participating in the SRQ 99s Poker Run! We are excited to have you. This guide is meant to provide you with all the rules and logistics for the Poker Run. If you have any questions, please feel free to reach out to us on Facebook, on our website, or email Jacki Adams ([JackiLAdams@gmail.com](mailto:JackiLAdams@gmail.com)) with questions.

## The Basics

The official hours of the Poker Run are as follows:

Friday, November 6	8am - 6pm
Saturday, November 7	8am - 6pm
Sunday, November 8	8am - 12pm

These are the hours that we will have Poker Run support available if you have any questions. Please confirm FBO hours before stopping.

Each stop is listed in the guide below and includes fun things to do in the area. We encourage you to grab a meal and explore the area at each stop. There will be no landing fee for any participants in the Poker run if just collecting a card.

## In Case of Rain...

If the majority of the weekend is un-flyable (for a VFR pilot), we will be moving the Poker Run to the following weekend November 13-15.

Friday, November 13	8am - 6pm
Saturday, November 14	8am - 6pm
Sunday, November 15	8am - 12pm

If we have at least one day of flyable weather, the show will go on!

**Note:** Our primary goal is the safety of all pilots. If you don't feel comfortable flying, don't! Don't let the Poker Run be the accident-causing "E" in PAVE. If you are unable to make it to any of the airports due to weather or other factors being outside of your personal minimums, please contact Jacki ([JackiLAdams@gmail.com](mailto:JackiLAdams@gmail.com)). If you are able to make the cookout on Sunday (by plane or by car) come and get your cards there. If you aren't able to make that or prefer not to attend a group gathering, we would be happy to have you participate virtually in the card reveal. More details on the virtual card reveal are included below..

## Game Rules

### Entry Cost

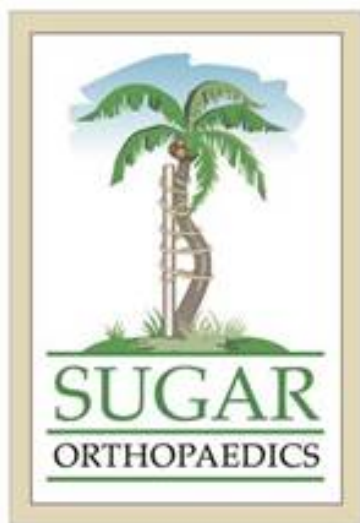

\$50/person

### Travel to Airports

- Multiple people may share a plane while playing individually.
- Each person must stop at each airport to collect their cards.
- No person can pick up cards for someone else.
- The order of the stops is completely up to you.
- Two cards will need to be picked up at SRQ.
  - Every participant will receive their last card at SRQ on Sunday.
  - For those who are based at SRQ, they can pick up their first card at SRQ or wait and get both SRQ cards at the end.
  - For those who aren't based at SRQ, they can pick up both their SRQ cards at the reveal event on Sunday.

### Card Collection

- Collecting the right cards.
  - You will be given a color.
  - Please make sure that you ask for a "yellow," "pink," or "green" sticker envelope, whichever you have been assigned. This will ensure you don't get 5 queens. :)
- All cards **must be left in their sealed envelopes** until the reveal on Sunday.
- Cards will be revealed on Sunday by opening your sealed envelopes in front of the Judges who will record your cards.

### Social Media

- Participants are encouraged, but not required, to take a picture of your group at each stop. Post it on Facebook, tag @Sarasota 99s - Ladybugs and use #99PokerRun so that we can find your pictures!
- If you don't use Social Media, but have pictures that you're OK with us sharing, please email them to Jacki Adams [JackiLAdams@gmail.com](mailto:JackiLAdams@gmail.com) after the event.

### Additional Considerations

- After you see your hand at the reveal, you will be allowed additional bonus cards for a \$10 donation each.
- After each bonus card is received, you must decide to either reject the bonus card, or keep it and discard one of your existing cards.
- You may not have more than 6 cards at any given time.
- There is no limit to the number of bonus cards one person can purchase.

### Winning

After everyone is satisfied with their hand (no more bonus cards are requested), then the hands will be shared with the Judges who will record each person's cards. Standard Poker rules apply. Standard Poker hands are listed below in the order of superiority:

**1. Royal flush**

A, K, Q, J, 10, all the same suit.

**2. Straight flush**

Five cards in a sequence, all in the same suit.

**3. Four of a kind**

All four cards of the same rank.

**4. Full house**

Three of a kind with a pair.

**5. Flush**

Any five cards of the same suit, but not in a sequence.

**6. Straight**

Five cards in a sequence, but not of the same suit.

**7. Three of a kind**

Three cards of the same rank.

**8. Two pair**

Two different pairs.

**9. Pair**

Two cards of the same rank.

**10. High Card**

When you haven't made any of the hands above, the highest card plays.

**Notes:**

- Aces count high for all hands, e.g. a pair of Aces beats a pair of Kings.
- In a straight, an Ace can count low (e.g. A, 2, 3, 4, 5) OR high (e.g. T, J, Q, K, A) but NOT BOTH (e.g. Q, K, A, 2, 3) is NOT a straight.

PROUD SUPPORTERS OF THE SARASOTA 99S - LADYBUGS

Once a woman learns to fly,  
she will yearn to soar,  
and there will be  
no stopping her.

We are living proof that a woman who learns how to fly becomes a woman who aims high. Nancy Andreae, our matriarch and the founder of The Andreae Group, was one of the only female flight instructors in Michigan (1967-1970.) The lessons learned from the experience of flying — grace under pressure, adherence to established guidelines and appreciation for procedure — translated into a successful real estate strategy and career. We proudly follow her example.
